THE RUSH TO AMERICA.

Although the world-wide economic crisis has not yet reached the point of panic, the headlines here and there are full of reports of a rush to America. The United States is being hailed as a refuge for the millions of unemployed who are being driven from their homes by the lack of work. The American people are being urged to open their hearts and homes to these unfortunate souls. It is said that the number of immigrants entering the United States is at a record high. The American people are being urged to be generous and to help these people in any way possible. URUGUAY PLANNING WOMAN SUFFRAGE

(By Associated Press) MONTEVIDEO, Aug. 15. President Bruin has sent the Uruguayan congress a bill providing suffrage for women and all other legal rights held by men. The project has met with the approval of influential groups in congress and it seems to be assured of success. Passage of the bill will give Uruguay the distinction of being the first South American nation to grant women equal rights.

THERE is a big difference between Calumet and all other Baking Powders.
First—You see it in the cost. Calumet is sold at a moderate price.
Then—you observe it in use. Calumet has more than the usual leavening strength, therefore less is required.
Next—you notice it in rising quality—in the evenness, firmness and texture of your baking. They look better— finer crumbed.
